Thank you

There are countless ways to say thank you, but never enough opportunities to express our gratitude for the support we receive from library users, community members, businesses, and organizations throughout the year. This is our annual thank-you issue, where we take a few moments to celebrate your generous contributions to the Sturgis Library. In 2009 you gave in so many ways! You donated to the Annual Appeal and the Building Fund; you became members of the Friends of Sturgis Library; you gave gifts in memory and in honor of loved ones; you baked cookies and made appetizers for parties and events; you donated jewelry, gift certificates, artwork and countless other items for our sales and auctions; you volunteered your time to do numerous tasks; you served on Boards and Committees; you donated books for our book sales and material to our archives; you attended programs and events...and so much more!

But best of all, you came and used the library — to take out books and other materials, to read the paper, to do research, to participate in a class or program, to visit with staff and neighbors, to use our computers, to share a story, and to share yourselves with us. YOU are what makes the Sturgis Library successful — by bringing a sense of community and connectedness with you each time you walk through our doors. And for that, more than anything, we are grateful. Thank you so much.
~~Lucy Loomis, Library Director

STURGIS LIBRARY BUILDING FUND

As many of you know, last Spring Sturgis Library received a grant from the Massachusetts Cultural Facilities Fund of almost \$250,000 in support of a variety of high priority building projects. These projects are essential to preserve our historic building and repair aging systems. The Cultural Facilities Fund grant requires a one-to-one match to allow us to complete the following projects:

- Building preservation and repairs, including reinforcement of structural framing and the foundation, new roofing in the rear of the building, and replacement of rotting shingles.
- Collections preservation and safety, including renovation of the Archival Vault.
- Public safety improvements and the installation of a fire suppression system.
- Energy efficiency with the replacement of old windows and an aging boiler system.

To date, we have raised almost \$200,000 of the needed matching funds from contributions by individuals, organizations, foundations and a major bequest.

The contributors listed below have made a special gift above and beyond their support of the Annual Appeal and other Library campaigns, and we are truly grateful for their support.

Luncheon and Bake Sale items available

Coming in April: A Different Kind of Raffle

The Sturgis Library has held dozens of fundraising auctions and raffles over the years to help fund library programs and services. We've auctioned and raffled off art, trips, jewelry, wine, mulch, rugs, books, sailing trips, rounds of golf, and hundreds of other items.

This spring we'll be raffling off what everyone needs most ... cash. We will sell only 200 tickets at \$50 each. Raffle tickets will go on sale in April. In this \$2010 raffle, the winners will receive:

- 1st prize \$2,010 cash
- 2nd prize \$1,010 cash
- 3rd prize \$510 cash

The winning ticket will be pulled at a **Open House** lawn party to be held on Sunday, June 27th from 4 to 6 PM. There will be great food & drink, fun activities for kids, music, Cape Cod Beer, and more! And best of all, admission is free! Mark your calendars now to join us for this fun family event.

Take a Self-Guided Walking Tour of the Sturgis Library

Have you ever wondered about the history or provenance of some of the artwork and artifacts here at the library? Have you ever thought "Who is that grumpy man in the white wig?," or "What is the significance of that red leather chair?," or "Who is the Lowell Room named for?"

We have developed a written guide to library history, artwork, and artifacts that you can pick up at the main desk of the library. Ask for one, and take the tour today!

Wii Want You To Have More Fun

The Library now carries a collection of popular games for the Wii gaming console. You can dance, do yoga, play sports, learn new things, and have lots of energetic fun. Ask for the games at the desk, or search the CLAMS catalog for new titles.

READ with Us!

For National Library Week 2010, which is held in April, we're creating a series of READ photos fashioned after the

National Library Week posters that feature celebrities reading their favorite books. We'd like everyone -- staff, Trustees, volunteers, Friends, library patrons, and community members -- to participate by submitting photos of themselves or family members reading. We will edit the photos to include the word "READ," and display them during the month of April. Photos can be recent, or from the past. You can bring in the actual photo and we'll scan it for you, or you can send a .jpg electronic version to sturgislib@comcast.net -- just send us an email with the photo in an attachment. If you don't already have a photo of yourself reading, why not have a friend or family member take one of you? Or stop in to the library and we'll take one for you. Get in on the fun! Show your love of reading and libraries! For more information, contact Library Director Lucy Loomis at the email above or by calling 508-362-8448.

Happy New Year from the Friends of Sturgis Library!

Happy New Year from the Friends of Sturgis Library! The Friends have been very active this winter. In December the library was beautifully decorated for the holidays by a group of Friends, a successful holiday Book and Bake Sale was held, and the "Mostly Dickens Carolers" spread goodwill and cheer at their Sunday afternoon performance at the library. On January 24th we held an Open House for members, their guests, and anyone interested in finding out more about the Friends. The Friends work year-round to support and enhance the valuable service that Sturgis Library provides and to this end we rely on volunteers. A special thank you to those who:

- donated treats and goodies for our bake sales, programs and May luncheon
- volunteered in the Friends Book and Gift Store
- worked at the Book and Plant Sales and the August Antique Show at BWB
- decorated the library for the holiday season
- served on the Board of the Friends of Sturgis Library

Most importantly, thank you to the almost 200 member households who have joined the Friends. We appreciate your support and invite new members to join at any time. Annual dues are only \$15 per household. With funds generated by our membership dues, special events and sales, the Friends have been able to support the work of Sturgis Library as well as donate to the Annual Appeal and the Library Building Fund. Our gifts to the library in 2009 totaled \$10,750.

On behalf of the Friends Board, I would like to extend our warm wishes for a New Year of peace, joy and good health. We look forward to seeing you at our programs, in our Book and Gift Shop and at the many library events planned for 2010.

Margaret A. Housman, President of the Friends

Consider a Charitable Gift That Provides You Income

In the Summer 2008 edition of the *Sturgis Library News* the Board of Trustees announced the establishment of a formal planned giving program. In response to questions about this program we would like to share with you how a Sturgis Charitable Gift Annuity works.

In exchange for a charitable gift of \$10,000 or more in cash, saving bonds, or stock, a Sturgis Charitable Gift Annuity is established for you. The annuity contract specifies the income you will receive annually or quarterly for the rest of your life, no matter what happens to interest rates or other financial markets. The annuity generates a charitable income tax deduction, part of the income received is tax free, and the rate of return is often higher than what is available from many conservative or fixed income investments.

Ten Advantages of a Sturgis Charitable Gift Annuity:

- Easy to establish
- Guaranteed income for life
- High rates of return
- Partially tax free income
- Charitable income tax deduction in the year that gift is made
- Income directed to yourself, your spouse or another loved one
- Capital gains tax reduction when appreciated assets are gifted
- Remaining funds can be directed by the donor to a specific library program
- Membership in Sturgis Legacy Society
- Comfort knowing that your Sturgis Charitable Gift Annuity is backed by a 140 year old organization that is “dedicated to providing services and resources to meet the needs of a contemporary community while preserving and promoting Cape Cod history.”

Did you know that the Sturgis Library receives only 44% of its annual operating income from the Town of Barnstable? We must raise the majority of our funds from donations, grants, and interest on our endowment. Your donations, big and small, are vital to our success. We thank you for recognizing the benefits of donating to the Sturgis Library.

**Every Little Bit
Really Does Help**

A dollar here, a quarter there, a handful of change, it really does add up! Since we put out our Donation Box in July 2007 we have deposited \$2,326.00 collected from bills, quarters, dimes, nickels and pennies. We appreciate the support of ALL our donors.
