Linnell Family Genealogical Collection, 1584-1994
Compiled by Rachel Linnell Wynn

MS. 23

Extent: 13 boxes

Biographical note: The Linnell family in the United States traces their origin to Robert Linnell (c.1584-1662) who left England for Plymouth Colony in 1638. At the age of fifty-four he voyaged from London to Scituate (Plymouth Colony) with his wife (name unknown) and four children. He was admitted as a freeman to the colony on December 3rd of the same year and was reunited with the congregation of John Lothrop which had left England for the colony some years before. It was a family reunion as well since Linnell's sister was married to Reverend Lothrop. A short time after Robert Linnell rejoined the congregation in Scituate, the group petitioned the General Court in Plymouth and successfully received the right to establish a settlement on Cape Cod; they established Barnstable in 1639. Robert Linnell and his family were part of a group of forty-five that followed Reverend Lothrop to the Mattechese section of Barnstable. According to the Linnell family website he was known as Mr. Linnell, which may indicate that he was a known and respected person before coming to the colony. For more information on this subject please see the Linnell Family website at <http://linnellfamily.home.comcast.net>

Scope and Contents note: Collection consists of files assembled by Rachel Linnell Wynn, historian of the Linnell Family association, on over 400 descendants of Robert Linnell in preparation of her publication *The Descendants of Robert Linnell*, 2nd edition, 1994.
