### Using the CLAMS Catalog

- Direct your Internet browser to [www.clamsnet.org](http://www.clamsnet.org).
- Click on "View My Account," then enter your name, library card number and PIN.
- From your account, you can see the items you have checked out and renew those that are coming due.
- Click on "New Search" to look for books and materials, and use the drop-down menus to narrow your search parameters.
- You can directly request the item, save it to a temporary "bag" to request at the end of your session, or save it to a personalized list for future requests. When you've finished browsing, click on "View Bag." Click "Save All" to save the items you wish to request, then click "Request Saved." If you're using a special list, go back to your main account menu and click on "My Lists." You can view the items you selected and request them by clicking on your list.
- If you wish to keep a record of your checked out items, opt in to "My Reading History."
- To request digital media such as e-books, click on the OverDrive download button on the main CLAMS catalog page.
- To request books not in the CLAMS system, click on the "Virtual Catalog" link.
