Nathaniel Covill and Richard Higgins Genealogies
MS. 64

Extent: One folder in multi-folder box.

Scope and Content Note: This collection consists of one small book that lists genealogical information on the Nathaniel Covill and Richard Higgins families. Tucked into the back cover are genealogy notes from historian Stanley W. Smith. The book covers the time frame of 1653 to the early 1800s.

Biographical note: Both Covill and Higgins were early settlers of Cape Cod, having arrived in the 1600s during the Great Migration. Covill settled in Chatham and Higgins in Eastham.

Access: Restricted. Please see Library Director for access.

Language: Material entirely in English.

Processed by: Stephen Robert Lovell Farrar, 2006. Recataloged by Lucy Loomis, September 2021.
